County, Utah

Dear Mr. Tuttle:

The Division of Oil, Gas and Mining closes your Notice of Intention to Commence Small Mining Operations for the Natural Organic Mill, S/019/054, and releases you from further reclamation obligations under the Mined Land Reclamation Act. An inspection was conducted October 6, 2005, which verified that all equipment had been (or was about to be) removed. Necessary grading has been completed, and the vegetation is comparable to that in surrounding areas.

Thank you for your cooperation in finishing this work. We appreciate your integrity and willingness to complete your project.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. White".
